

QMS SUMMER READING 2020 - GRADE 7

As we enter the summer months, one of the best ways for students to remain engaged and to increase academic success in the fall, perhaps this year more than ever, is to participate in summer reading. This year we are asking that students read at least two books for summer reading. Students are not expected to complete an assignment during summer vacation, but they are encouraged to take notes on a book so that they can share the book with their peers when we return to school.

We are excited to offer an incentive for students to keep reading as well. Students and parents will be invited to fill out a Google form which will serve as a log for their summer reading. When we return in the fall, students who have read six books or more (or 1200 pages) will be invited to a summer reading celebration, at which time they will have the opportunity to win prizes of--what else?--books!

To log your summer reading, simply click on the link below. You can submit multiple books at one time or you can make separate submissions as you go.

While most books are available through online bookstores like Amazon and Barnes and Noble, we are working hard to find ways to keep QMS students reading, regardless of financial constraints. We have collaborated with the Mansfield Public Library to ensure that as many summer reading options as possible are available as eBooks. Even if students don't have a library card, they can access eBooks through the Sora App by logging in with their Mansfield Public Schools Google credentials. See the instructions below to begin accessing through Sora. The library also is planning to eventually have a process for curbside, no-contact pick up of physical books. [Click here for updates.](#)

Here's how to access titles from the library through Sora:

- 1 Install the Sora app from the Apple App Store or Google Play Store, or go to soraapp.com.
