

Take & Make - *for Teens & Adults*

Project: DIY Mini Zen Garden

What's in the kit:

- Mini ceramic bowl (1)
- Sand
- Mini wooden zen rake (1)
- Decorative stone (1)

What we are doing:

There really is not any instruction for this craft, except to pour the sand into the bowl, place the stone in the sand and start making designs. This mini zen garden is very small, but is the perfect size for those who need a little break while doing school or work...work.

Share your designs on the library's Facebook and Instagram pages, or email them to Whitney at wkbrown@sailsinc.org. Keep a lookout for more Take & Make projects for Teens & Adults this fall!!

Next month, Wednesday, October 21st, we will be making Autumn/Book-themed garland!!
