Give a summary without spoilers!

A highschool girl (Elena Gilbert) meets two vampire brothers, Stefan and Damon who have a dramatic impact on her life. She developed feelings for both of them but doesn't know who to choose and doesn't want to choose because she has already lost too many people in her life and couldn't bear to lose one of them. What will she do and who will she choose?

What drew you to this tv show?

I was drawn by the love triangle aspect of the story.

Did it remind you of something that you've previously watched or read?

It reminds me of *The Summer I Turned Pretty*, another love triangle teenage romance.

To whom would you recommend this movie?

The Vampire Diaries by Julie Plec is a great series for people who love to watch and read the sci-fi genre. It is also great for people who like long and suspenseful series (it is 8 seasons long). You also may enjoy this show if you like love triangles and romance.

Overall, did you like it and would you recommend it to others?

I liked this show very much and would recommend it to others because it is very entertaining and never gets boring!

Anything else that you would like to add to this review? What made you choose it? Did you like the cover? Was it recommended to you? Did you find it at the library?

I chose this show because I heard from others it was a great show.
